we seed, but the idea is to explode the agencies of wholesale death by radio over the ocean before they get to America.

We sike, or we don't like, a person almost upon a first meeting. Why is this? I believe that it is because we militee stated, "that an effective counter measure to atomic bombs has been developed to such an extent that they can be exploded far think of it as a spirit that one to the inside, it could be made into a bomb with the machinery used in an ordinary bicycle shop. . . In other words, an enemy wouldn't need to use the long-distance rockets Gen. Marshall and Gen. Arnold have been warning us about. And how could an army in New York stop the explosion?

We sike, or we don't like, a person almost upon a first meeting. Why is this? I believe that it is because we are ordinary bicycle shop. . . In other words, an enemy wouldn't need to use the long-distance rockets Gen. Marshall and Gen. Arnold have been warning us about. And how could an army in New York stop the explosion?

The late Wait Mason once wrote an inspiring poem about such a important the world has seen. Yet it was the was the was the was the was the world has seen.

So the problem is partly getting the Russians to like us and trust

us, and to understand that we're no such bad people The other day I travelled from Washington to St. Louis. In the car next to me were about twenty Russian officers and their wives, and they were having a terrible time. They couldn't understand anybody, much less the porter. Their tickets were balled up, they didn't know where to change cars, and I am certain they were of the opinion that this country was deliberately conspiring to cause them trouble What an opportunity that would have been for a Good Neighbor agency or a department of Peace! What an opportunity to sell the U.S.A. Instead of having strangers be uncomfortable . . the U. S. government needs to do is practice the same principle that Rotary or Kiwanis or the Lions Club practices every day in the week. When a prominent stranger comes to town, they show him around. They believe in their town, and make him believe in it.

Salesmanship Lacking We have a great country and managed the 500-mile government basis, sell them on the U.S.A. The same could be done with professors.

Penalty for this violation not less than 5 nor more than one hundred dollars for each and every offense

saddled with the task of mediating major disputes. He cannot mediate them all it is a sad commentary on the lack of federal machinery to handle labor controversies that On Inflation Are

It would appear also that efforts are being made to drag President Truman into the labor disputes as

a mediator or negotiator of a set-tlement. If he agrees, he will find it necessary to sidetrack other important national business, just as inflation is a hard way. It means the small jobs. They've hired a tribe portant national business, just as inflation is a hard way. It means, mr. Schwellenbach must give his time to particular disputes to the exclusion of other matters so vital to the administration of his department these days.

The president isn't apparently as much disturbed, on the other hand, individuals.

Inflation is a hard way. It means of the administration of African pygmies just to repossess them. If you miss two payments, they're going to stand at Hollywood and Vine and bring you down with a blow-gun.

There will be "bugs", of course, in the new models . . . In fact, three good sized bugs are about all it will

The president isn't apparently as tage, on the part of groups and much disturbed, on the other hand, as is the country over the labor problem. He said in a public speech the other day that the labor dismade to the public throughout the made to the made to the public throughout the made to the made let-down from war" and added: for sacrifice, President Roosevelt's wheels We still have a few selfish men frequent and effective phrase was wheels. who think more of their personal "hold the line." He appealed directly interests than they do of the public welfare but they are not going to prevail because you are not going to let them prevail."

The foregoing is not sufficiently explicit to know just what persons or groups the president had in mind. It isn't too important either to citizens was successful. They appealed directly to group after group to forego immediate advantage, for the sake of preventing the ultimate disaster of inflation. This hard way—wise firmness on the part of the administration, and willingness to forego advantage on the part of groups of the witchen and see what's holding them up.

One fellow was tearing through

groups the president had in mind. vantage on the part of groups to important either to citizens—was successful. Throughout traffic the other day in one of the identify them because basically the president is much mistaken if he thinks the present wave of labor troubles can be blamed on a few individuals. Throughout traffic the other day in one of the new models when he hit an open manhole. He became suddenly immortal as the first person ever to go through the Los Angeles sewage

Economical Way To Get Vitamins

Science doesn't stand still. Laboratories are constantly perfecting neans of improving our health standards. Vitamins and minerals are nutrition factors which to utilize the foods we eat. Without vitamins, scientists says, life could not exist.

The government wartime enrichment program required a minimum of four vitamins and minerals in white bread. OLD HOME BUMPER Bread goes farther, and supplies not only the usual four, but also five more! They're

help increase your supply of vitamins and minerals naturally and through economically, an important daily food. Bread-the age-old staff of life - now assumes new importance in the diet. OLD HOME BUM-PER Bread simplifies the problem of eating right. It supplies extra nutri-

was launched when Swenskie punted to Nesbit on the LaSalle 18 and laborated to drive over in five plays. ohnny ran it back to his 30. With with Bonk smashing through from six yards. Mattingly accounted for Mariners quickly tied it a 6-6, with Pa., the 70 yards in this march. Pass Nets 53 Yeards

the succeeding kickoff, Coach that. eleven came back with a Pass interceptions led to Maryand ran it back to the 34. St. Mary's academy 20. knocked out of bounds on the Layards on the next play and Swen- angle on the 26. ski slithered over from the 4 for the tying six-pointer.

Piker himself accounted for the final Terrapin tally, grabbing an

dash by Mattingly sparked this dashed and Carroll chipped in with Schwarz converted from placement to make it 22 to 6.

Losers Gain on Passes

Neither team was able to get a tinsburg 19-7 and Fort Hill 7-6.

Coach Walter Bowers's eleven won tucky in the headliner of a South-the championship last years by discontinuous discounting to make it 22 to 6.

Losers Gain on Passes

Neither team was able to get a tinsburg 19-7 and Fort Hill 7-6. moving the pigskin to St. Mary's St. Clarksburg was penalized half the distance to the goal line—2½ final period and play was about yards—and from there Mattingly even. Bryant's team worked smooth-plunged over. Cloonan's pass to ly on offense in running its three Nesbit for the point was good. The game point total to 103. On the with Fort Hill and blanked Ridgeley, ana State, Chattanooga at Tennesfirst quarter ended: LaSalle 13, St. ground, the Old Liners were ade- 19-0.

But again the Stripers bobbed against passes and it was by that back into the picture shortly after means the Mariners, winners of the second period got under way. two previous games were able to A 13-yard gain on a lateral pass ring up their principal gains. opened this rally. Wanstreet to Beto was good for 29 Wanstreet to Beto was good for 29 yards to move the ball to the La-Parsons Panthers Salle 17 from where Wanstreet sprinted for the score. Romano's run for point was stopped. St. Mary's trailed 13-12.

LaSalle, however, fought right back for two more scores before the halftime whistle, driving from midfield to a touchdown in six Into Camp, 21-0 plays with Mattingly amassing most of the yardage and also scoring from the three-yard stripe. Pass Brings Touchdown

following a march which opened this season when they lost to Coach the touchdowns, two coming on 41 with Swenskie punting out of Homer Brooks's Parsons Panthers and 15 yard runs and the third on bounds on the home team's 48. Mat-tingly galloped 19 yards to the Stripers' 26 and Malloy's pass to the first second and fourth quarters. Fisher and Jack Faust scored on 38. Nesbit was good for the six-pointer, for their second victory of the sea-st. Mary's scored its third touch-son which brought their record up down in the third period at the to the 500 mark.

Sonly Marshall accounted for the sixth score. Diehl plunged the lone sparked by Wanstreet and Swenskie, with the former plunging from the one yard line. In going over the goal line, however, he fumbled but a teammate, Sam Romano recovered the ball in the end zone.

The Stripers came within one to the .500 mark.

In the first period Gilmore carsist score, Diehl plunged the lone sixth score. Diehl plunged the lone sixth score. Diehl plunged the lone of the sixth score. Diehl plunged the lone sixth score, Diehl plunged the lone of the ball over but the score was inflicted on the Panthers, Barb to the all over but the score was inflicted on the Panthers, Barb to the sammate, Sam Romano recovered the ball in the end zone.

Keller scored touchdown No. 2

cepted Malloy's pass on the Clarks-burg 10. The Stripers marked up moved the ball to the 15 in the last five first downs in advancing to the one-yard line from where Romano scored.

period and paved the way for the name of the final six-pointer. Barb advanced to pounds, was caught in the Nipigon River. Ontario, in 1916.

LaSalle Makes Win Sure LaSalle put on the finishing run by Carr.

The Tucker countians reeled off touches late in the quarter by scoring after a 43-yard drive. Tommy
Carroll ran over from the 10 and
Mattingly went around end for the
Mattingly went around end for the

LaSalle was credited with sixteen first downs while the visitors had a total of seventeen. The lineups: Pos. LaSALLE (32) ST. MARY'S (24) D. Dougherty

Three Networks Will Report Same Football Game

By C. E. BUTTERFIELD

NEW YORK, Oct. 12 (A)-Again this Saturday, the networks will be getting back to the status where ost of them will be doing a single football broadcast. In this in-stance it is Army vs. Michigan as played in Yankee stadium, New York.

isted for this contest are NBC, ABC and MBS, all to start at 1:45

The only difference is to be CBS. which at 2:15 is to start from Annapolis with Navy vs. Penn State. Herbert Hoover, in a half hour broadcast on CBS at 1:30 p. m., is to deliver the principal address at

729 Veterans Are **Placed in Jobs** With Aid of USES

Counseling Program Started June 1 Helps Physically Handicapped Men

veterans of World War II have been placed in jobs through the efforts of the local office of the United States Employment Service in the period from January 1 to September 30 Patrick J. Carroll, manager of the local office, said yesterday.

Carroll reminded that veterans at the USES office are andled through C. William Spangler, veterans employment representative, and pointed out that discharged veterans have made 2,968 office visits in the January-Septem-

resents three and four calls on the part of some veterans.

USES made 1,246 referrals. Again, available. the number of referrals represents more than one for some veterans. Out of the total applications and re- to perfect details

ferrals came the 729 placements In addition, 315 veterans wer sent to other agencies, such as th Veterans Administration, the Rec Cross, Weifare board, Associate Charities, schools and banks, de pending on the kind of immed

assistance they requested. On June 1 a counseling program for veterans was started and Carroll said such a service has tremendous possibilities. Twenty-six veterans with physical handicaps applied to the USES for job assistance and, partly because of the counseling service, fourteen of them ave been placed in jobs
